“ *Karen, Cindy, Joey & Chris,
My heart goes out to you and your family. Your mom will be missed
by all who knew her. One of the happiest times of my life was
spending so much time at the Bello home during my last year in
high school. "Mom Bello" always made me feel like part of the
family. May God's grace strengthen and comfort you and your family
now and in the days to come. My love and deepest sympathy,

“ Karen, Cindy, Joey and Kathy:

Treasure your memories at this sad time. You are in the hearts of so many people who care and understand. May this heartfelt message show in some small way that the warmest thoughts of sympathy are there with you today. I will be thinking of you in your loss -- and remembering all the good times I had with your family over the years on Texas Avenue during our grade school and high school years. “ *Folks, I'm so, so sorry to hear of your loss. I can feel your pain, as my father passed exactly one month before. I find comfort in knowing he has joined Mommy once again in a much better place. I hope you too can find some peace in your own special way. 'Miss Doris' was a very loving, and much loved Lady. She will be missed. Call me if I can help in any way.*
