“ *It is with heart felt fillings to everyone of you children that I will miss your Mother and my special Aunt Doris very much. She means a lot to me and Saundy. I will never forget she and Uncle Herb and the good times I had with them back in the 60's and with you also.*

God Bless you all. All our Love Bobby & Saundy Beeman

“ *I met Doris in the 7th grade at Beall Junior High & we became good friends so I was sorry to learn that she moved. The irony of it all is that she was in the graduating class of my husband, Ronald Ellis, at Allegany High, before I had even met him. I still have fond memories of her. Laurel Ellis*

“ Doris Dawson, as she was known as a
student of Allegany High School in
Cumberland, Md., graduated with 186 other
students in 1946. I was one of those 186 and
knew Doris well. She has always been an
avid supporter of our class and has attended all of our reunions and
was planning to attend our 69th reunion this year in September.
Doris was a very special friend and a loved classmate. I will miss
her wonderful smile and special hug at this year's gathering. GOD
love you dear Doris and I know you are smiling and happy to be
again with your beloved husband, Herbert.

“Doris was a wonderful person. I met her in 2004 when she invited me to sit next to her in church. She had many friends and brought joy to those she loved. She loved going to Florida to escape the harsh Maryland winters and couldn't wait for summer when she could enjoy her pool. Thanks for the memories Doris, you will truly be missed.
