“ *The whole Knot Family has known Ms. Doris Daigle Family for many years. Ms. Doris and my mother were best of friends and visited each other as often as possible. My mother contacted me just last week to inform me of the most recent news of Ms. Daigle. I was trying to make travel arrangements for my mother to come up and visit her, but my mother said she had to wait since she was helping another one of friends who was having some surgery and once they were ok she was going to fly up to visit with Ms. Doris. We will all miss her but we know that her family will miss her more. Our thoughts and prayers go out to all of her family. If there is ever anything that the Knott Family can do for your Family please let me know. Per the family's request In lieu of flowers a donations will be made in her memory to St. Jude's Children's Research Hospital*
