Danette, I am so sorry for your loss. I just lost my mom last month. I found the newspaper clipping of Robin, you and me with our moms behind us on stage at our pinning. They were all so proud of us.

“ *Big HUGS to you and your family, Danette. This is a hard time of year to lose a parent but continue on with your holiday celebration for you know MOM would never want to make the saddest of memories when it is supposed to be a happy time of year. I speak as a voice of the same experience with my dad. Struggle through the holidays and remember MOM is watching YOU! Very sorry for your loss. Love ya lots!*
