“ *It was with great sadness I read of Ms Lempke's passing. Without a doubt she was one of te kindest women I ever met. Although I had not seen her for a number of years nor her children, I was reminded of some wonderful times spent playing and watching softball as well as working wiht Miss Doris at "Memorial"###imported-begin###Mary Wood(Marshall)###imported-end##*

“ I was so sorry to hear of Doris' passing. I could not attend the service, because as you may know, Phil came home from the hospital on that day and passed five days later. We both have a long history with Doris. Phil as a Oxford boy and myself through our work at the hospital. She will be missed at the Oxford Girls luncheons. My thoughts and prayers are with you all as we both go through such a difficult time.

“ To all, I'm very sorry to hear about Doris, growing up down the street from you all was a very good time in my life and every time I saw her or Clarence it brought back memories of home!!! She was a good person and when she saw one of us from the old Oxford she would light up. I will miss seeing her and that smile. She is with Clarence now so she is at peace.

My Best to you all,
