“ *Dear Sissy and family, I am so sorry for the loss of your mom. I know the pain and sadness you must be feeling and I am praying for your healing and sending love and energy to you. I have not seen you for a long time, met you thru Leslie while @ Wm. Norris Clarks - in case you don't remember me. My heart aches for you, but I have learned to trust in God and know we will all be together one day - those we love and that have moved on are with Him now and truly in a wonderful place, a truly wonderful place and they ARE ok. Celebrate the time you had together and see the awesome gift that was . . . until the next chapter in your lives together. God Be With You Today and Always.##imported-begin##Robin (Morton) Pletzer##imported-end##*

“ Dear Sissy & family,

Our hearts go out to you right now, understanding how difficult this all must be (and has been for a while). Sissy, you have been a devoted daughter - that's been obvious - and that kind of love lasts forever.

We wish you peace as you mourn the loss of your mother, and we send you our love and prayers.

Your friends,
