“ I wish to express my condolence. While, I did not know Mrs. Cooper personally, I have experienced the deep emotional emptiness death causes. I find support by reading the Bible. While it does not completely eliminate the pain, it gives some comfort. For example, Revelation 21:4 says "And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying." I find those words comforting to me and wanted to share them with the family.
