“ *To my grandmother affectionately known as Granny, I miss you so much. I think of you all the time. I wish I could had spent more time with you and helped care for you. You are the glue that held our family together. I cherish the memories of you preparing Thankgivings and Christmas meals and how so delicious they were. I remember you told me to go outside and fill this bowl with fresh snow and before I knew it you had made ice cream it was such a treat. There's so much I didn't get a chance to ask and say to you but want you to know I love you! I miss you and I will see you again.*
