“ Your Mom was a trip, she was feisty as all hell and it's what we loved about her! The last time we saw her, we couldn't understand a word she said, but she talked and laughed up a storm, it was a good time. Pj met his match that day, she definitely talked more than he did. It was great to see her so happy and we are thankful that is our last memory. She will very much be missed. ❤️
