“ *I was so sorry to read of Mrs. Jefferson's death in today's paper. She was the last of "The Bridge Club". Those ladies had such a good time. I was lucky enough to get to substitute a few times when I was home. Our sympathy to your families.*

“ *My first job out of high school was with Easton Steel Service. Mrs Jefferson was a very patient and kind teacher to a rookie kid. She took me under her wing and taught me many things before she retired. Even though I have not seen her in a few years, I have very fond memories of a truly lovely lady! Praying for comfort for her family during this sad time.*
