“ *Sitting here thinking about you. Miss you more and more everyday. They say time heals all wounds but for me I swear it leaves a bigger hole. My heart aches because my kids wont get to sit on your lap while you drink coffee, tap your nails like little spiders coming to tickle them or make a mess/parade of figurines all around your floor. I miss your beautiful smile the sound of your laugh and your encouraging words of wisdom that I sometimes chose to ignore because I got my stubbornness from you. Watch over us sweet angel I promise to keep my MonkMonk safe and with me always. I promise to think about you always and I promise to try to pass on everything you taught me to my kids. Love you mommom now, forever and always.*
