“ *"Aunt Dot" was not my aunt, but a cherished friend of our family who was so close she became an unofficial Aunt to my cousin and me. In the past ten years my mom and I would often travel back to Easton from Florida for a visit. During each visit our schedule included at least one stop at Aunt Dot's breakfast club where we would catch up and talk about the good old days. Mom and I are really going to miss those conversations. But most of all we'll miss being in the company of that Great Lady.*

“ *We have been missing Mrs Mitchell for several months now. She would drive by our house every day to go to meet her pals for breakfast and many days she would stop to say hi to my boys and I if we were outside. We will continue to miss her. She was a lovely lady.*

“ Our deepest sympathy to your family for the loss of a great lady and friend. I loved having breakfast with the "girls" at Denny's and she always welcomed anyone to sit and chat and share a meal. She treated all like family and I will always think of her fondly. Jimmy, Terry, and Timmy, I know you will miss her as we all will and I hope you all will find comfort with her peace. “ Aunt Dot, you were an ever present part of my life. Like so many others I was blessed to be born into this family. What sets our family apart is how close we all are and we were all led by your example and love. Thank you for being my awesome great aunt, friend, bus driver ;), and a guiding force in my life. “ *Mom Mom I was born into this wonderful family and you have always been the center of it all. Your love came in the truest form and it was unconditionally wonderful. When I search through the memories of my mind it is hard to find one that doesn't include you. What an amazing impact you have left. My heart will forever hold the imprint of your love and I am forever a lucky girl to have been the grand daughter of Dorothy Mitchell.*

Your faith gives me courage to keep moving through my days. While I will miss walking step by step with you, I know you are where you have longed to be and that makes my soul happy.

I love you always my sweet Lucy!!

Forever Your Wenichelle
