“ I had the pleasure of working with Dottie for 15 years. We shared many laughs during that time. I installed a CB set in her car back in the 70's, and we gave her the CB handle of "Island Hopper" because of her commute from Kent Island to Curtis Bay. I'm sorry to hear of her passing. She was one of the "old gang" in our office, and thinking of her now brings many fond memories. God bless you Dottie.##imported-begin##Rich Cleary##imported-end##

“ After coming to Grace in 1985, Dottie trained me at the No. 8 Warehouse until her retirement. She was always pleasant and treated everyone the same. I am truly sorry to hear of this.##imported-begin##Shirley Woomer##imported-end##
