“ *A gentle woman, welcoming school nurse who was there when you needed her and very professional. She was very dedicated to Seton and we will always remember and thank her for that. May she rest in peace.*

“ Ms Jewell was my Homeroom Teacher 80-84. She was a wonderful advisor always willing to help and listen. There were times when "life" as a teenager was to much and Ms Jewell was always ready to give me a "quite" place to hide...no questions. One of my favorite memories was how we helped her celebrate her "50th" Birthday. It just so happen that playgirl magazines pinup "boy" that month was a health "50" year old man. We all thought it would be funny to give it to her for her birthday. She turned so red and for weeks whenever we said the pinups name she would just burst out laughing.

My thoughts and prayers are with her family.

“ Ms. Jewell was my homeroom teacher for 4 years at Seton (81-85). She was a ray of sunshine every morning. Always pleasant and smiling. I remember the times when I wasn't feeling well and she would take care of me while I rested in her nurses room. She was a nurturing and caring woman. Heaven has another angel.
