“ I feel privileged to have known/know Dottie. She was truly a lady in every sense of the word. She and Cal made a wonderful couple, and I know she is at peace now with him.##imported-begin##Karen Willis##imported-end##

“ Dottie and I were in the same Red Hatters chapter. I feel quite privileged to have known such a sweet lady. I am sorry that you have chosen not to have a service for her. There are many of us who would have liked to pay our respects and said goodbye. Dottie will certainly be missed.##imported-begin##Joan Browne##imported-end##
