“ *Granny Dorris (as we were asked to call her) A lady that made a difference in other peoples lives. She loved children - she loved life and being a part of serving or caring for others. She is a perfect yellow rose in that great bouquet in God's house now. Though she will be greatly missed, we have our memories to hold dear to our hearts. I know she would want us to share what we have learned from her and loved about her with the generations to come. Blessings to the family of comfort and peace in knowing she is with her maker. “ Sincere sympathy for the loss of Ms' Dorris. We will always remember her working all evening at the annual church supper and then changing her shoes to go dance the night away.
