“ Miss Sally Ann,
My heart is feeling really heavy for you right now. You were Mr. Dorsey's right hand girl. Except in later years, I don't ever remember seeing you where he wasn't right by your side. I always loved running into him. He had a "Hey Gal! How are you?" for me everytime he saw me. I will always remember his bright blue eyes and his big smile on his tanned farmer's face. He was a very special guy and I will miss him. Our thoughts and prayers and love are with you and your family. Marty###imported-begin###Martha (Marty) Darling Sparks###imported-end##

“ Sally Ann and family: Our sincere thoughts and prayers to you in the loss of Mr. Dorsey. The farming community has surely lost a legacy and he will be missed. I know how much daddy thought of him and can only imagine they are up in heaven discussing this year's crops and the weather. You surely deserve a crown over the past few years for your many hours taking such good care of him and it is very difficult to lose a loved one, but he is at peace with God. We are sorry we will be out of town for the services, but our prayers will surely be with you and your family. God Bless each one of you and may each day bring you love, sunshine in your hearts and peace. Gene and Lynda Palmatary##imported-begin##Lynda H. Palmatary##imported-end##
