“ *I have so many wonderful memories of you Doug! You and I had conversations for hours on end. We shared many similar views on many aspects of life. You provided me a home when I was starting my adult life. You got me a job at the company you worked for as a construction laborer. You were there for me when I needed someone to confide in. You brought solace to many that were lost. You and yours will always be family of mine! I wish I would have taken more time to visit with you after i moved. I will never forget what a great person you are. I morn the loss of you but celebrate our friendship. I hope that you have found peace and that one day we will meet again. God be with you my dearest friend!*

I remember him taking me, Jeremy, and some friends to a Korn concert (my favorite band at the time) We had the time of our lives. Those are the kind of memories that stick with you forever ❤️ Love you forever Uncle Doug
