*We too are heart broken at the loss of a treasured friend. There just aren't words to soothe the pain all of Dwayne's family and friends are feeling. One thing for sure....you can't take away the wonderful memories. As your babysitter, I have many fond memories watching you all grow up. As a two year old, Dwayne wouldn't go to sleep without an abundance of kisses. Always greeted us with a big smile on his face and of course he would lean down & me on my tippy toes to get a kiss & hug when he grew into the "gentle giant he truly was. Our thoughts and prayers are with you all. God bless you,
Love ya,

“ *From the day I met Dwayne, he had the ability to make me laugh. He was a brilliant storyteller, sharing stories of his love of family, his love of racing and his love of his friends. His larger than life persona, with his super sized heart would do most anything for anyone. We may have lost a bright light, but Heaven gained a STAR that will likely shine down on all of his family and friends and fill them with his undying love until they meet again. My condolences to Robin, Brownie, Phil, Debbie & Brit, his Mom and all of his extended family!! Know that you are loved and supported by all who knew and loved him.*

My heart is broken, Dwayne "Big Bird " was one of the nicest, most sincere, fun loving, most gentle souls you will ever meet..he would always bring a smile to my face after a long weekend working at the Sandbar on a late Sunday afternoon, here he would come walking down the hill towards the boat bar with that larger than life smile, ready to party!! And Of course to stay awhile!!! Always loved Dwayne and our chats. I will miss you my Friend and save me some Captain Morgan will ya!!! .To all of Dwaynes family and friends, my prayers are with each of you during this very sad time, Big Bird touched all of our lifes, even if you were just standing somewhere and had never met him... I bet he made you smile!!! God Speed My Friend... I will miss you.

What a loss everyone has endured. George and I are sending all of you hugs and prayers through such a difficult time. Dwayne went way too early for his life and we will miss him coming to our home. The laughter and fun times with our children and just coming and showing us his new toys. This is going to take time to realize he is no longer here living his life. “ Dear Robin , Phil and Dwayne's entire family please know our hearts are sad and our thoughts and prayers are with you all. Dwayne was truly one of the happiest and fun loving souls, always had a smile and heart that was larger then life. Was a friend to most anyone he met. He will be greatly missed by so many. One of the bright lights has gone out. But he will shine on within all of us who loved him.

With Love, Randy, Debbie Davidson

“ *Sarah, and family I hardly know what to say. Dwayne was larger-
than-life. Always willing to help others, the biggest smile, a hearty
laugh these are the things I remember about Dwayne. Like most
cousins we didn't get together as often as we would have liked. But
if there was an event I knew I was sure to see Dwayne. My heart
breaks for you and the community as we mourn the loss of such
wonderful man.*

To the family: There are never enough words to share when a shock like this happens. Dwayne was like a son to us and we had many, many chats and laughs. So glad we got to be see him in the past six weeks. He loved my homemade cookies and always had a bag waiting for him. I can see that smile now when he entered our Utility Room door. Our hearts are broken and saddened, but we must go on and live his legacy. When the Lord calls our loved ones home, he leaves a gift of memories in exchange. Hold onto your many memories and let them guide you during this time of sadness. Take comfort in those you love and you will be reunited in eternity. Dwayne you will be missed by us, but will always remain in our hearts. RIP dear friend and our love for you will be forever. Luv ya friend, Gene and Lynda Palmatary, Centreville.
