“ *Dyana and I grew up across the street from each other in Galena. Summer of 1972 a generous soul sent me to Camp Pecometh for a week. I was excited but apprehensive to go alone. The day I was leaving a friend told me Dyana was going, too! She wanted to surprise me! We had a good week, but Dyana was homesick the first few days. As soon as she recovered, it was my turn. It was kind of her to go to camp with me! We also experienced Hurricane Agnes that week.*

“ Ally - as you and your family comprehend this sudden and profound loss, let yourself cry knowing each tear is a note of love rising to the heavens and although no words can really help to ease the loss you bear just know you are very close in every thought and prayer..
