“ Dear Bobby and family,
So sorry to here about the passing of your mother. I have many fond memories of her from my childhood on Garrett Road. Every Christmas I still display a decoration she made and had given to my mother. Most of all I will remember her wonderful infectious laughter! My thoughts are with you.

“ To Bobby and your family,

There are people you meet in life that you find to be very important and Mrs. Buxton was one of those people to me. I am truly honored to be able to call her friend and will miss her very much. How lucky you all have been to have had her for so long. She loved telling me family stories because she loved you all very much.##imported-begin##Gretchen O.
