Mr Tinucci was a staple growing up! He was always around and at the right time supporting not only Michael and Sharon but every kid on the team. He would share his words of wisdom. He had a great sense of humor that he passed down to his kids and a love of life and nature. He will be watching over Nancy, Sharon and Karen, Michael and Kelly and his grandchildren from above!

I met Ed in the spring of 1989 when we both joined the Indian Mills Volunteer Fire Company in Shamong Township, NJ. Little did I know that would be the beginning of a great 32 year friendship. Ed was one of the best people that I have ever known. He was a great friend. He was always there to help me, and my family, out when we were going through a tough time. the world would be a much better place if we more people like Ed. I will miss him greatly.

*Dear Nancy,
Mimi and I are sorry we didn't get the news of Ed's passing until today when Valley Forge Military Academy posted your note. We were a great group at alumni reunions, and rest assured, we will miss Ed. As a musician, Ed always remembered the best concerts and trips that the band had made. Please know that we are praying for him along with all his brother knights.

“ Carl and I were so sad to hear of Ed's passing. The world was a better place with people like Ed in it for sure. When we would get together Carl and he could go on forever about their antics working at Ma Bell. I loved hearing them laugh together. We will cherish our memories and be ever thankful he was our friend. We will keep Nancy and his family in our prayers. May he rest in peace.

“ Ed you are still My dearest buddy, you & Nancy have always meant the world to me. Nancy was my first supervisor at NJB. Loved her so much, then I meet Ed, the love of her life. He became my friend, confident & big brother. My best friend Lois & I, were adopted by the Tinucci's. He tried to do our budgets, we had no money! So those beautiful Tinucci's invited us for dinner. We usually ate mayonnaise bread, but always brought the finest wine (Boone's Farm) to dinner & stayed until the timer on the lights went out & Nancy & Ed said they were going to bed. They always had time for us. They were always there for us. When I had an auto accident, Ed was the 1st to call me, when I lost my brother & sister-n-law, the Tinucci's were the first to call. I have so many wonderful memories of a life well lived & a beautiful couple. I treasure my friendship, but most of all I treasure meeting Ed & Nancy Tinucci. Thank you for all your love & support. Thank you for your beautiful children, Sharon & Mike! Thank you for your friendship!

“ I first met Ed when he showed up at my father's greenhouse & garden mart. He seemed to me like he was an alright guy. Well he was that and more as I got to know him better. He was a great brother-in-law, and loved my family, especially my kids. But what he was to my sister Nancy, is hard for me to put into words. She loved Ed like nobody I know loves their spouse. These last 5 years proved what a leal love is for a wife to her husband. She took great care of Ed and that proved to me what a real love she had for him. God bless Nancy for taking care of Ed, and may God bless Ed, and may he rest in peace. My sympathies to Nancy, and the whole Tinucci family, Love you all Tom

“ The welcoming faces of Ed and Nancy greeted us as we were taking out first walk around Heron Point 10 years ago. And they became forever friends. Despite Ed's passing, we will always remember his smile, easy-going attitude, caring manner and ability to make us laugh. He will be missed by us and by others who became part of his life over the years.

“ *My Brother-in-Law, Ed, was one of 3 positive male role models in my family. He was wise and always ready to share good advise. He never refused a request from a family member no matter how difficult it was to complete; (like driving me to Newport RI with no notice.)*

Ed was always kind, friendly, generous and sensitive. I choose to remember Ed as the man with a mind like a steel trap. He remembered everything and could recite it back to you like a video. We all miss you already Ed, rest in piece.
