“ *Sharing this in memory of my grandmother .... I shall not cry..... I shall do what needs to be done .... I will do my best to do what I have been asked.... Due to our father taking her home.... It was time and now for those she loved she is our gaudian angel and is watching over us.... Y'all know she still gonna find away to fuss with us.... No matter what just remember the happiness she brought to all of us .....*

“ *There are so many memories with Mrs. Edna that I cant just pick one. I grew up down the street, I worked at McCorys with her, she babysat my boys. My boys think of her as another grandmother. Since I have moved back I would take a walk and coming back I would look over and see if she was outside sitting at the picnic table and I would stop and chit chat before coming home. I don't think I will ever stop looking over on my walk back home. Love and miss u*

“ *I met Miss Edna when I bought the place across the road in 1994. Miss Edna always told me what was on her mind, visa-versa. around 2000 we started talking about flower bulbs, bushes, and, trees. Mr. Ed would say the names Miss Edna would let him know he was wrong. We started trading flower bulbs, having lunches and tea in her and Mr. Eds yard, it was so pretty as the sun was going down. the day of the earthquake the phone rang It was Miss Edna " Pat did you feel that?? I'm going to Miss looking out and seeing Miss Edna in her chair checking her flowers and trees. She will be missed ,our, hearts, and prayers are with you Mr. Ed, her family and all that loved her.*
