“ *We are so sorry for the loss of your loving wife and mother. I am the daughter of Edna's brother Howard Anderson of California. My mother and father spoke kindly of Edna. Although I never met Edna We believe she was a lovely lady and feel your loss. Take the time to heal from your loss and then smile with the memories.*

Always - Howard, Karen, Debbie & Bonnie and in memory, our mother Dorothy.##imported-begin##Karen Metcalf##imported-end##
