“ I’m shocked and saddened to hear of Glenn’s passing. I have fond memories of riding bikes, pretend WWF wrestling, and dirt bike riding. And listening to music (8-tracks) in his Pinto. It was impossible not to smile, laugh and have lots of fun in his presence. My condolences go out to Glenn’s entire family. RIP Old friend.

“ Glenn. He was a good man. He always treated my daughter and I like family. He was a good friend. He was always busy helping someone, but he still made time to say hello and give a friendly smile. I hope he knew how loved and appreciated he was, by everyone who's life he touched.

“ So many memories our friendship goes back to the 70's as kids in Villagebrook. We rode motorcycles and partied at the trails. We were shared an apartment, and worked together. And tore up more than a few cars together. He was a great guy and a real friend. He will be missed by myself and all who knew him.
