“ *Buzz was one of the kindest and most compassionate man I ever met. He was possessed of a childlike joy of life that never left him. I am glad that he is now at rest with his God and is in the loving embrace of his loved ones who have gone on before him. Rest in peace, brother.*

“ My brother Ed left a legacy of good works. His heart centered generosity, love, spirit and a heroic heart which triumphed throughout a lifetime of adversity recognized and honored in the end. He will always be a hero to me and his love will be deeply missed.

Buzz gave all he had and all he was to those lucky enough to have known him.

His brother Bob and wife Billie, cousins and I have warm childhood memories to comfort us at this time. He rejoined his family in peace. Even in the end his True Self shone through brightly. He left embraced by the love and Light of God, Angels and family who escorted him back to his eternal home.

We offer thanks to Crissy, Wes and the Crabtree, Talty and Mullens family for this tribute. He loved you all very much.

*Blessed be,
Bette Mozdzen*
