“ This is probably the 4th time I've tried to write something here. Each time I stop because I don't know where to start! We will miss you Eddie, you were always such a sweetheart. I'll miss your "dancing" and all the laughter we all shared at the hospice center. You, Theda and Muffin will always have a special place in my heart! I'm so thankful that our paths crossed, and hopefully they will again!##imported-begin##Lisa Adkins##imported-end##
