“ Randy was a wonderful cousin and friend. Whenever I saw him he always had a smile and a memory from the old days. He was genuine in how he cared about my mother (his aunt) and always wanted to know how the family was. He loved his girls, politics and music. I very rarely saw him without his hat which became his signature. Randy we will miss you. Until we meet again.

“ So sorry to hear of Randy's passing. We grew up together in Still Pond on the same street. Every time I seen him we talked about old Still Pond. He really thought the get together for Still Pond day was neat at Nancy Nicholson Fox's house. He loved to talk about the little towns history and where everyone had gone to live their life. I never seen him without a smile or without his hat. Randy was a one of a kind man. Rest in Peace Randy, my friend always.

“ *I have known Randy for a number of years and we were also classmates. Several years ago I ran into him at the foot of High Street and it was really nice to see him and to reminisce about the past. After that, our paths crossed numerous times and he always had a smile with kind words to say. He would always ask about my Mom and Aunt Dot. I knew I hadn't seen him for awhile but kept in contact on FB. So very sorry to hear of his passing. Thoughts and prayers go out to the family at this difficult time.*
