“ *Eileen was a wonderful lady, she will be missed by many. Eileen made the most beautiful cards and I was lucky enough to receive several of them, I still have each one, they were a gift in themselves.*

I know she is at peach because she is with her wonderful husband Bill.

God Bless Her

“ *We were neighbors of Bill and Eileen Moberly and their dog Skipper in New Jersey. Eileen has always been faithful with cards and calls to keep in touch. She often talked about having a New Orleans funeral with the coffin in a glass carriage and a band singing "When the saint go marchi in" so we will think of it that way.*

We send our synpathy to her family. We will miss her.
