“ *My sister*

*We are joined at the hip  
My sister and me  
But not with a bond  
That a surgeon could free  
I guide her feet and  
She shows me the way  
And so we go on  
Day after day*

*She tells me with love  
That she has no doubt,  
From somewhere above  
She picked me out,  
My lucky day  
To be her first choice,  
For she is a gift  
For whom I rejoice.*
