“ Dear Alvator family and Bryce. I'm so sorry for your loss. Elaine was a part of my life for many, many years. Being family, she and Johnny were at all the family dinners and events. It was always great to be with them!
She would every once in a while email or write to me to fill me in on any family news I might have missed. I will miss the emails and letters!
Praying for each of you, Ron and Carol (Blansfield) Green

“ *Ms Elaine was a nice lady. My husband grew up with David and has known the family for years. I've known them since we have been married and for the past 20 + years have been Ms Elaine's neighbor. I always saw her walk her lane with her dog and get paper and mail. We would help during deer season and she was right in the middle helping or just talking and visiting. Very sweet lady she will be missed.*
