“ I wish to express my condolence. Even though I did not personally know Ms. Hamlin, we have all experienced the sadness and deep emotional emptiness death causes. I find support by reading the Bible. It does not take away all the pain of grieving, but it does explain why we die, the condition of the dead and the resurrection hope. The Bible offers these encouraging words at John 5:28 states: The hour is coming in which all those in the memorial tombs will hear his voice and come out.” .

Dear Carl, Linda, Peter & your Families,

How I wish this was just a bad dream we could all wake up from & find that nothing had changed...

SO MANY years of friendship between our families; SO MANY memories to fill our minds, warm our hearts & lead us through

Your Mom was such a wonderful person...Everyone whose life she touched is better for it. While we are saddened by the loss of someone so special, we are forever grateful to have known her as friend and neighbor...

I know how huge the hole in your lives seems right now... We pray that faith, friendship & the love of family can help heal the hurt & lead you through this most difficult time.

God Bless.

Love, Judy
