“ *To the Howeth Family, I met Eleanor when she worked at Maryland National and I made the deposits for my place of work. I loved going to her teller's window. She always was so pleasant, a ready smile and a little laugh. She was the kind of person that you liked from the first time you met her. I saw her a few times in later years and she was still the same sweet lady. I know you all will miss her so much. My love and sympathy,*

“ Eleanor and I worked together for several years at MD National Bank. One of my favorite memories is how her face always lit up when her husband and children came into the bank to pick her up from work on Friday evenings. Her smile radiated love! I send my condolences to her family and friends. I sincerely hope that your memories of her smiles, her caring ways and all of the happy times will help to sustain you during this difficult time. ~ Joyce Lima ~

I remember Eleanor and Harvey when they lived in Newcomb; and when they moved to Easton. Such wonderful and selfless people. I know they are together and looking down on the family. Bless both of you. It was my privilege to know you and your family.
