“ *Betty Jean was just like a "big sister" to me - always kind and loving and with a beautiful smile. I wish I had been more in touch with her in the past 30 years - but a really GOOD friend is just the same no matter how much time has gone by. I'm SO grateful for Jack and his loving companionship and care to her in these last years, especially. And I'm so glad I was able to visit her fairly recently (before the virus). Love to Jack & Gwen...*
