“ Elizabeth was a childhood friend, a work friend and friend of the family. Many memories that span decades. Her welcoming smile and good humor in all situations were so much a part of who she was. Our deepest sympathies.

“ Noel and Mark, I am so sorry for this immense loss. I had no idea. Elizabeth was such a bright light with tremendous positive energy. I truly enjoyed getting to know her while I worked with Mark! Mark, your mother loved you very much and was so proud of your accomplishments. You made her very happy. And Noel, I know you will find strength in your memories of the years you spent together. Much love to you both.

“ *My deepest condolences to Noel and Mark for the loss of Betsy. I had known her from the time she was 12 years old. She and my sister were classmates at the Greenwich Academy and best friends. I introduced Noel to Betsy years ago and they subsequently married. Hence Mark. Betsy was a great person in every way. I am missing her!*
All my love to Noel and Mark,

Elizabeth was a childhood friend and later coworker. After moving back to the shore our families became reacquainted and both our sons went to school together. We had much to talk about between work and raising boys. She was fun, so smart and very friendly with everyone. A gracious soul. May she Rest in Peace.

Merle and I share our sincere condolences to Noel and Mark. Betsy was my best childhood friend from age 12, when we met at Greenwich Academy. We shared many memorable times together, including trips to Norway and singing together with the Madrigals. I cherished our friendship and she will forever be in my heart❤️

Sending much love to Noel and Mark,

Nina
