“ I had the grand pleasure of growing up with Aunt Lizzy as a kid, it is with much sadness that I stumbled upon this notification of Lizzy passing. I remember growing up with Aunt Lizzy & Uncle Buck in Queen Anne's Colony while visiting with my grandparents "Gen & Mimi" Lipscomb. Aunt Lizzy was the classiest of classy women which I am honored to of Known. Please give Mimi & Gen hugs for me and tell them I love them until I can be with them again someday in the future. To Jan, Jon & Shannon; please accept my sincere condolences even though they are a few years late.

“ *Our most heartfelt sympathy to you and your family on the loss of your mother. Liz always epitomized the concept of a true "lady". She was open and charming in each contact which we had with her at neighborhood gatherings. Her loss will be felt by everyone whom she ever touched. Dick and Lynne Sinclair*

“ As a man from Tennessee and a Lady from Alabama, we just naturally hit it off some twenty plus years ago when I met Liz after my wife Linda joined KIFA shortly after we moved to the area. She soon started referring to me as her "southern boyfriend", a roll I happily accepted until she could no longer remember. She was a woman of great talent and charm and shall be long remembered by all who knew her, but most especially by those of us who live here and still admire her work on the Eastern Shore of Maryland.

“ To the Bukowsky Family: What a wonderful lady Queen Anne's County has lost. Ms. Liz was one sweet lady and loved by many. There are many people who wish they had half of the art talent that she was blessed with. My prayers and blessings to your family at this time. She will be missed by many, but her love for others and the County will live on forever. God Bless, Lynda Palmatary, Centreville.
