“ I am so sorry for your loss ... Liz was a great mom, grandma, and person. She loved her family so much, and would tell of the many adventures she took with her kids and grandkids. Just know she is there looking after you from above. I feel so blessed to have had Liz in my life ... she was a true friend and I will miss her terribly. Barb and I had lunch yesterday ... it seemed so strange for Liz not to be sitting beside us ... but do you know, I felt her presence - she was there.

Much love to you ... and may the passing of time bring you peace and the wonderful memories of Liz ease the pain in your hearts and the dry the tears in your eyes. Peace be with you!

“ Sorry to hear about Liz passing. I saw her often walking around Jordan's road and would stop and chat a few minutes. She was so special to Jameson and Jade. A role model many of us should strive to attain with our grandchildren. I know how much our kids felt the loss when Mom died and I hope Jade and Jameson were as well prepared for her death. Mom talked to the kids all the time about not being sad when she died and how she wanted their lives to go forward. With Liz's religion and belief in God, I feel sure she prepared you all for her passing!
Condolences to your family.

“ Liz was a wonderful co-worker, but most of all a good friend! I will miss our Kent island & lunch visits. To all her family, I offer my deepest sympathy & prayers. You & she were so blessed to have each other. As with my Mom, who I lost several years ago, know that she will never truly leave you. She will happily remain in your heart, mind & souls! God bless you all!

“ Liz such a kind soul, she was so nice to me when I first came into the department, I am so sorry for your loss. I pray that the Lord I serve and love will give you a peace that passes all understanding. May He wrap His loving arms around you the family as you grieve your loss. Liz was so sweet and kind, such a peaceful person. I don't think I ever heard her complain of anything. She was a great asset to whomever she worked for. She was a great partner in our place of work.

“ To the Cunningham Family:

There are no words that can ease the pain of losing someone you love, but there are memories. I am so sorry for your loss, but in time the pain you feel now will ebb away, and what you have left will be all of your wonderful memories of Liz. She was a special person. She brought a calm and loving presence to me and to all of us who worked with her. To me she was a mentor, a colleague and a friend. We shared many a laugh and tough times together. I will miss her greatly, as will many others.

“As long as there are memories, there will be roses in December.” Remember Liz and all the good things she brought to our lives. She will be our rose for many Decembers to come.

With sincere sympathy,

Jim Hoopes

PS. I hope that you don't mind that I posted some pictures of Liz at work and a couple of her and Maryellen that she shared with me.

“ I am very sorry for your loss. Liz was a good friend since we were
nurses together at Leland Hospital, Riverdale, MD. No need to look
it up, it no longer exists. I lived on Kent Island also for 10 years and
moved to NC after the death of my husband. Liz always had a warm
bed and an even warmer heart for me. I loved her very much and
wil miss her. It will be very strange to visit the island and not have
her there.
