“ I am a nurse who worked with Mrs Elizabeth and cared for Scotty. The last time I saw Mrs Elizabeth, we shared our evening laughter as we would do every other Sunday night for the last 3 or more years. She would always walk in at 2230. Sit and wait for the time clock to allow her to clock in. She had so much love and compassion for everyone and a smile that would light up a room. I will miss her laughter. I am so sorry for the loss of such an amazing woman. My thoughts and prayers are with you. May God carry you to provide comfort during your pain. Much love and sympathy. Traci
