“ *So sorry to learn of your Mom's passing. As you know, I am in Florida and will be unable to attend the service, but my thoughts and prayers are with all of you. I don't know if you were aware of this, but my youngest daughter was almost born at the farm, as she was ready to see the world very quickly, one afternoon when we were visiting. There was quite a panic, but I did make it to the hospital (barely) She will surely be missed as well as your Dad.*

*Dear Sherman family,
Our thoughts and prayers are with you at this difficult time. I have such fond memories of your mom, she was the one who brought me into the Jr Women's Club. And we became friends then. Such fond memories of Max and Pam growing up together. Her family and David' family farming along side of each other in the good old days. What memories we have and memories you all have of her.*

To Jimmy, Max, and Susan, I have nothing but good memories of your parents. Well, almost all good memories... There was that time when your Dad lived with us and he put a ladder up to Joanne's and my widow when it was dark and made horrible faces at us and when we noticed him Joanne and I screamed our heads off. Mother was not amused. I loved your mom and dad and my life is richer for their love.

“ *Max, Susan, Jimmy, and family- so very sorry to read ic the passing of your Mom. She was always so full of life and so very friendly. My fondest memories are when we were very young, in kindergarten, and I would have to go home with Max because my Mom wasn't able to pick me up on time. I remember you always had a lab, I think, and I thought it was the biggest dog. Then Therd was her involvement in Girl Scouts. She always welcomed me into your home with a smile.*

May she have peace 🙏.

Thoughts and prayers,

Pam
