“ My mother was the most amazing person I know...Although she wasnt able to be there all the time while we were growing up, I always knew she loved me more than life itself. She did whatever she could to make sure her children were taken care of, even if it wasnt by her. She would do anything for anyone and she was a strong woman.##imported-begin##Tiffany Cole##imported-end##

KJ

Alow me too say my sister was the best mother a kid could ask for and God had too take her home too soon and look how her kids turn out and it's sad...
