“ Gracie,
So sorry to see that "Aunt Betty" is gone from us. Growing up in the neighborhood, we always knew if we needed anything, we could knock on the door, and she would be there to lend a helping hand. And boy did she love to sing.....
You are in my thoughts and prayers.

“ My thoughts and prayers go out to the entire family. My grandparents John & Lillian Porter lived by Mrs. Betty. I remember how growing up we used to walk to Mrs. Betty's and say hi and how Mrs. Betty cared for my Grandmother during her illnesses. I just recently lost my Pop and it is so hard. Cherish all the memories and always keep them close to your heart!###imported-begin###Kelly Milliken###imported-end##

“ I'll always remember how Grams liked to compare me to my sister who was smarter and prettier than me. She would never let me forget how I would cry and cry if she was picking Carrie up for piano lessons and I wasn't included. But I'll always love her and our special days together.###imported-begin###Christopher Jones###imported-end##

“ Grams was my beautiful, intelligent, strong-willed grandmother who made every piano practice, softball game, band concert and afternoons in the park more special than the next. Her continous support, care packages and weekly emails/phone calls to make sure I was eating and having fun at college ,was always the highlight of my week. Her caring wit and positive attitude will be deeply missed and I hope I will continue to make her proud and carry on some of her traits who have made me who I am today.###imported-begin###Carrie Anne Jones###imported-end##

“ *Bette / Grams was the most compassionate mother-in-law and grandmother of all times. Her inner strength, intelligence, character, and communication skills made her a 'one-of-a-kind'. In the 35 years I have known Bette and her family, my family and I are blessed today because she/they are a constant reminder for good, old-fashioned family values in our lives.##imported-begin##Suzanne##imported-end##*
