“ *A very precious lady, Mrs. Tapper has loved and lived life well. A wonderful friend, very compassionate. During her last years, she spoke of and remembered her family, the adventures that were shared with her children and grandchildren as they were growing up. She had many stories to tell and wonderful memories to go along with the stories. We can never completely know or understand how God is working in our lives but Mrs. Tapper truly trusted God for all things. She knew she was loved by her Savior "Jesus Christ" and her family. She has gone home now to join her beloved husband and her oldest son. They have a family circle in heaven now and she, along with "Luv" are praising God and shouting around the throne. Mrs. Tapper, you will be missed here but never forgotten. May you find peace and comfort in the arms of Jesus.*
