“ Mr. Meredith & Mrs. Hayman,  
My grandmother Kitty Woodall worked with your mother at Colonial Jewelers in the 60's & 70's. I remember one time, about 1976 I think, your mother came over to our house to get something done with her hair. I can still see my grandmother washing your mothers hair in the kitchen sink. I remember going in to the jewelery store to see your mother, my grandmother, Mrs. Florence Dickerson & Mr. McCalley. Hang in there.##imported-begin##Mike Martinez##imported-end##

“ Donna, I am so sorry to hear of your moms passing. I have soooo many nice memories of her while i was growing up, great Holidays spent together with your family and friends. She was a truly Wonderful lady. She will be missed by so many people. She made my life while i was a child growing up so memorable. I remember going over to your house after school just to spend time with her just because she made the afternoon so much fun. I still have the white "piano" jewelry box that she gave to me when i was like 6 or 7 years old and it sits on my dresser( I think about her every time i look at it). You and your family are in my thoughts and prayers.
