“ *My best friend almost 20 years. She referred to me as her sister. I'll always cherish every moment spent together and being right there through everything. Including being with her at every single Dr. Appt, etc. in her last pregnancy, but there every second, talking everyday with each pregnancy and steps in life. We know the Truth and she loved me unconditionally. Nothing can change the bond we had. She'll always be my best friend and a huge part of me. I'll love her children, MY nieces and nephew always.*

My heart is crushed that such a beautiful little girl as I remember has left this earth at such a young age. I knew her when she was little because I worked with her beautiful Mom and I know her Dad as well. My deepest condolences to her children, fiancé and Dad, as well as her extended family. May God comfort each and every one of you!
