“ I will truly miss Buck's humor and laughter. His laughter would shift in gears and make you laugh too. He always had words of encouragement for me and my daughter Celeste who he addressed as "Niecey". He recently spent time with Bud (my dog) who would run to see him when we where in town. Buck would even let Bud get up on the bed with him! They became good "Buddies". All I know is God has everything in control and his hands. Even when we don't understand. Love, Iris
