“ We have many very special memories of Elsie. The four of us - Elsie and Bobby, and Bruce and Alice - shared many happy holidays together in Florida ... swimming in the Gulf of Mexico at Vanderbilt Beach; picking up sand dollars with our feet until our toes turned orange; watching the dolphins and manatees out on the sandbar; collecting shells on the beach; Elsie and Alice doing afternoon crafts and needlework and enjoying each other's company while Bobby and Bruce went fishing; afternoon happy hour with all of our Florida friends; and Elsie and Alice laughing at the pranks Bobby and Bruce would play on each other in the evenings. We will always have these memories and they will keep Elsie alive for all of us who loved her ... and even though our hearts are saddened now, the memories of all the wonderful times that we spent together in Florida, in Maryland and in Canada will keep her alive ... and our hearts will smile ...
