“ First Miss Lucille was my Mom's co-worker at C & P Telephone Co. then she was my co-worker at Chester River Hospital. In addition to 2 careers, she was farmer's wife, a mother and a grandmother! What an incredible woman! My thoughts and prayers are with all of you, for I know there is a big empty spot in your hearts! May she rest in the freedom of pain!

“ *Lucille and I were cousins and grew up going to the same schools and visiting each others homes. Her father and my father's father were brothers. We had not been close over the years but always had a lot to say when we saw each other. She was a very sweet and nice person. I know she will be missed by her family.*

*I take comfort in knowing that she and Billy are together once again. They were sweethearts in school and had many years together.*

*My thoughts and prayers are with her friends and family.*
