“Granny me Wesley and Arianna miss you everyday. I know you are happy with pop pop right now but I still wish I could call and talk to you. I miss you Soo much. I still catch myself sometimes trying to call you or driving to your apartment to just tell you some good news or what the kids have done or if I'm having a hard time or day. I live and miss you granny doo much and I want you to know that Arianna knows who you are. She looks at your picture in moms house and knows that's granny. Sometimes I still listen to your message you left us and still can't listen to amazing grace without thinking about you.xoxox I know you dent like them but I got a tattoo of just one rose surrounded by butterfly wings since you liked butterflies in loving memory of you. You were the best mom mom anyone could have. You always thought about everyone else over yourself and always tried to help others even if it left you without. I hope that I will be half the woman that you were. Please continue to watch over us please. Especially mom I know she misses you Soo much, and she's like you worries and takes care of everyone but herself but I dnt want her to leave us too soon. I need he here with me and Lena. Granny I miss you Soo much but I know you are in no pain and have your beautiful red hair with your perfect figure next to pop-pop and his handsome younger self living it up. Lol I miss and love you and Wesley says all the time how much he misses you abd how his heart hurts but he knows he will see you again because he had gotten saved????????????????????

“ I love you so very much. Today was one of the hardest days of my life. I did not want to leave you behind and have to head home without you. Please ask God if you can be our angel. We need you to look after us from Heaven. You would be proud of us all though we were brave little toasters. I just don't even know were to start to heal. Wade even helped carry you. I love you and miss you sooo very much already. Love You <3

“ My Mom, Bernice, and I send our deepest sympathy to Linda, Lena and Jennifer. Since joining the Sherman family, my dear cousin John's lovely wife Elsie has been loved by all. Mom and I were blessed to be able to talk to her on the phone last week. We will always remember her loving heart, friendly manner and deep faith.

“ Lady, I don't know what to say except I will miss you more than you can imagine. You have always been a part of my life and have always had the ability to make me laugh. You were quite a woman, and there will never be a time when I think about you that I won't smile because you just had that way. I love you and will miss you; say hi to Dad up there and please try to not get into any trouble...I will see you again.
