“ Dear Judy, Children & Families, we are heartbroken to hear of your loss. We thought the world of Elton-- and in fact, Steve was wondering how you all were doing in Maryland, just last Saturday. There just aren't any words, really. He was just the best sort of person and we know how terribly he will be missed by everyone who knew him. Our prayers are with you, today. -- your friends in Clarksburg, Dr. Steve Curry, Kathy and Kathy B.

“ Dear Luke,
Your Dad will be truly missed by all of your family and friends. He was a great man to get to know and a wonderful "negotiator" (with the help of his realtor) when it came to purchasing a home here in Queen Anne's County.

He was a kind person who loved his family and friends. May the memories, we all have built in our hearts, live on within us forever!

Your friend,
Brian Cooper

Dear Judy; words can not express my feeling of sorrow for your loss. I boarded with his Mom and Dad for 6 years and Elton was like a brother to me during that time. we played golf, basket ball, worked out, and toured clubs on Friday nd Saturday nights. We also played poker with his dad, brother- in-law, and fellow boarders. Those were great times. He was great guy and I will miss him and cherish the memories. God Bless you and yours.
