Emily may you rest in peace , you will be missed it just won't be the same without seeing that big beautiful smile and your warm and bubbly personality as I walk through the doors of Dillos.

This prayer is for Jo and Leroy and all of us who love Emily....

Psalm 23

The LORD Is My Shepherd

A Psalm of David.

The LORD is my shepherd; I shall not want.

He makes me lie down in green pastures.

He leads me beside still waters.

He restores my soul.

He leads me in paths of righteousness

for his name's sake.

Even though I walk through the valley of the shadow of death,

I will fear no evil,

for you are with me;

your rod and your staff,

they comfort me.

You prepare a table before me

in the presence of my enemies;

you anoint my head with oil;

my cup overflows.

Surely goodness and mercy shall follow me

all the days of my life,

and I shall dwell in the house of the LORD

forever.

*Jo & Leroy, we are so very sorry for your loss of Emily. What a bright light she was in the neighborhood. What a beautiful person on the inside, gorgeous on the outside, so smart and so very witty. I can't remember a time we saw her that she didn't make me laugh with one of her hilarious stories! We're praying for all of you and we love you.

“ My sincere respects to Emily's family. This year 2023 I was in Switzerland climbing a mountain and at the top of a pass I found the obituary of Emily Marie Patterson deposited under a stone. I was very moved by the photograph of such a beautiful girl, who died so soon. May God have her by his side. My deep condolences to the family. Sincerely. Alexandre Rigotti & family Brazil

“ Just sharing that I came across Emily's card on Facebook as someone had found the card out in a park and thought it may have fallen from someone's pocket. Another poster shared that Emily's mom leaves these cards on the trail and I felt the need to know more about Emily and her family. It is clear that Emily loved enjoying time with family and that she had many wonderful adventures and accomplishments. May others continue to shine bright and live life deeply. Thank you for continuing to share these cards and the information about Emily.

“ *Emily Patterson had touched so many lives. She had a contagious smile, quick wit, and the greatest sense of humor. She enjoyed meeting people and had made so many friends. We knew who she was, and what she meant to us, but we did not realize how much she meant to so many others.*

During a time like this we realize how much her friends, the community, our friends and relatives really mean to us.

Your expression of sympathy will always be remembered.

Thank you.

“ Emily, I don't know how I would have gotten through Christmas gifts for the boy's family without you, you took care of everything and just had me sign the cards! You were always so on top of things. I also don't know how I wouldn't have gotten through a single shift at the iron rooster without you sticking up for me to Kyle. Our late night double t diner runs, our hideaway trips after work, or when we spent all day hunting for outfits for waka flocka and going crazy at the concert. Can't forget about the time we went shopping for Ben and pj's new apartment and did a horrible job and got them nothing that they needed, except that doormat!! You and Andrea took me under your wing when I was going through a rough time and made me feel so welcomed into your group of friends. You were always looking out for people. Thanks for being my sidekick for Marcheso family events and always giving me the best advice. You will be greatly missed by everyone, you had so many people who loved and cared for you. Rest easy.

“ Uncle Lee and Aunt Jo
There are no words to express how deeply sorry I am for your ladt. I cannot believe that Emily is gone from this world. She was a beautiful, intelligent and fun person. I enjoyed every moment that she was in my life and always made me laugh. The world has lost someone that had so much to give. We are here if you need anything.

“ Jo and Leroy,

My heart aches for you two. I hope that these heartfelt lyrics can offer you comfort in time.

*"O they tell me that He smiles on His children there
And His smile drives their sorrows away
And they tell me that no tears ever come again
In that lovely land of uncloudy day"*

“ *I worked with Emily at The Jetty last summer and she had such a contagious smile and laugh to her. EVERY single day she had a smile on her face, telling us about her fun weekends and hilarious stories. She was one of the nicest girls I have ever met. My thoughts and prayers are with her parents, family and friends. Rest in peace sweet girl <3*

“ I really don't know where to start with this. I am still at a loss for words and finding this so hard to believe! I remember when you first joined martial arts you were so quiet and timid but as the years passed I watched you grow and was so proud of you. My heart breaks for you and for your amazing mother I was so lucky to have met and spent the years I did with you two !!!! You will be missed beautiful 💔💔

“ I havn't spoken to Emily or the family in many years, but i've thought of her and everyone often as i've told stories about my childhood. Emily was a great person and a dear friend and i remember that specifically from the few years i knew her. I'm so sorry to hear of your loss, the world is a little less bright today.

She's made an impact on my life, and i will never forget that.

“ *The Patterson family I am so sadden by the loss of your beautiful daughter Emily. Emily attended my daycare when she just started school....What a beautiful little spark of life she was....she loved to play with the other children, swim in my pool and was just a great joy to have in my home. I will always remember Leroy telling me how Emily would fall asleep on his chest after the the two of them would get home after another busy day, that is something he will hold onto the rest of his life....again with greatest sympathy*
